

Summer 2009 MTI Course Offerings

As part of the Idaho Math Initiative, all elementary and secondary math teachers as well as administrators are required to complete three credits of mathematics professional development. Three sections of a course titled Mathematical Thinking for Instruction have been created to address the needs of elementary, middle and high school teachers. All elementary and secondary math teachers as well as administrators will be required to take one of these courses for recertification by the year 2015.

For more information & to obtain applications for all the MTI courses please visit http://www.sde.idaho.gov/site/math/math_initiative.htm or <http://dmt.boisestate.edu>.

Or contact the Initiative for Developing Mathematical Thinking at 208-426-4650.

Note: Course offerings are dependent on instructor availability. All dates and locations are tentative and subject to change.
